## WHY DO WE DO THAT?

**Q:** I have seen the title of Vicar General and Chancellor used in our Catholic newspaper. Who are they and what do they do?

**A:** A bishop is in charge of a diocese and appoints people to help with its administration. Two of those positions are the vicar general and the chancellor. Both play a role in the life of a diocese, despite the many jokes priests may tell at their expense! A chancellor is the archivist of a diocese, charged with task of keeping the records of the diocese. Often a bishop may add other responsibilities, and the chancellor may end up being like the executive director of the diocesan office. The chancellor does not need to be a priest.

The vicar general is a priest, appointed by the bishop and acts in the name of the bishop in administering the diocese. He has an advanced degree in canon law or theology. He also has executive authority within the diocese. This means that he is involved in the day-to-day pastoral and temporal administration of the diocese. Canon law does not allow a bishop to appoint a relative to the position, nor the priest in charge of the Sacrament of Penance. In both cases, the purpose of the law is to avoid conflicts of interest.

## LIVE THE LITURGY

Mark 6:1-6

### INSPIRATION FOR THE WEEK

Do you describe yourself as a holy person? For many, becoming holy may not be seen as a desirous goal. We are all called to be holy, but maybe not in the way we often imagined. Holiness is nothing more than doing ordinary things with great love and faith. St. Teresa of Calcutta says, "Holiness is not something extraordinary. Holiness is for every one of us as a simple duty -- the acceptance of God with a smile, at all times, anywhere and everywhere." Holiness has to do with understanding that our faith has a lot to do with how we see and live life. It is that simple. Are you willing to go about the simple business of your life and be holy?

### "Lighter Side" A Change of Course

A priest found himself wondering whether there were any golf courses in heaven. He even began to ask the question in his prayers. One day, in answer to his prayers, he received a direct answer from on high.

"Yes," said the heavenly messenger. "There are many excellent golf courses here. The greens are always in first-class condition, the weather is always perfect, and you always get to play with the very nicest people."

"Oh, thank you," said the priest. "That really is marvelous news."

"Yes, isn't it?" replied the messenger.

"And we've got you down for a round next Saturday."

## EVERYDAY STEWARDSHIP

### RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

I recently got into an Uber car for a ride to the airport. I like talking with drivers if I sense they are open to it. On this particular day, the driver was very talkative and told me about how he was an inventor. He had several patents and was about to sell one of his inventions for a ton of money. We had a wonderful conversation, and he was such a warm and interesting person. I asked him why, with his good fortune with inventions and all the work he was doing aside from Uber, he was still driving. He smiled and said, "There are still some people I haven't met yet. I never know who is going to get into my car next."

What an amazing answer! Too often we live our lives in semi-solitude, walking around with blinders on so we don't make eye contact. We have our family and friends, but we don't get up each day wondering with excitement who we will meet that day.

God puts people into our path all the time. Maybe we need them or they need us. But we do not walk through this world alone. If we choose to not be mindful of who is in our midst, we miss the chance to receive whatever gifts they may have to give. In the same vein, they miss out on what we have to share with them if we stay closed and quiet. Pay attention to those around you. God may come to you in the words of a friend, the request of a homeless man, or in the wisdom of an Uber driver.

### **Trip to Haiti! October 24 - 31, 2018**

Are you interested in seeing what Haiti is like? Or seeing it  
again? Diocese of Norwich Outreach to Haiti is organizing an  
Immersion Trip for October 24-31. Visitors will experience  
many different aspects of Haiti. You will see some of the  
work our ministry is doing - visit our clinic, a school,  
experience Mass at a twinned parish. You'll also get a chance  
to see the amazing spirit of the Haitian people, and get a sense  
of their culture and history through a neighborhood tour, and a  
visit to the National Museum. If interested, contact  
[info@outreachtohaiti.org](mailto:info@outreachtohaiti.org), or call 860-800-3601. See more  
on our website at [outreachtohaiti.org](http://outreachtohaiti.org). If you are interested,  
but this time doesn't work for you, contact us anyway, and  
we'll put you on the list for the future!

### **LANCASTER, PA BUS TOUR ~ OCT. 16-18, 2018**

Plans are complete for our annual visit to the Lancaster Amish  
countryside. This year we will travel from Oct. 16-18, 2018. We will  
attend the Biblical production of "JESUS" at the *Sight and Sound  
Theatre*. A *signup flyer with details* is in the narthex. Questions, call  
Janet 860 342-3476 or 860-214-1909 or [janet.capello@aol.com](mailto:janet.capello@aol.com).

### **When being admitted to the hospital...**

We urge parishioners to let the parish priest know about  
hospitalizations EVERY time they come to the hospital. The new  
privacy rules (HIPPA) **do not allow** for information to be carried  
over from one hospital visit to the next. This means that if you  
have given permission for your church to be contacted ***the last  
time you were in the hospital***, that permission is not continued  
with any future visits.

The chief complaint hospital pastoral care receives from  
parish clergy is they were not contacted about a parishioner's  
hospitalization. The hospital pastoral care department,  
reluctantly has to let all pastors know they cannot contact them  
without express permission from the patient EACH AND  
EVERY TIME THEY ARE IN THE HOSPITAL.

The best situation is for parishioners to call, or have a  
family member call the church when you are in the  
hospital, **and** when in the hospital, give permission  
for them to contact the church. Our priests want to  
know about parishioners in the hospital (visiting  
the sick is a considered by most clergymen to be  
one of their highest priorities). Don't assume that  
word will get to them. Let your pastor know!

***It's a great time to start, or continue, praying a family rosary.***

### Life is a constant balancing act. And it's a balancing act with a destination.

Check out Ascension Press' newest podcast - reflections to help you navigate the **tightrope of life** meant to lead us to heaven.

Busy Catholics switch hats countless times over the course of their days. They are parents, employees, spouses, children, siblings, friends, neighbors, and always, Catholics.

In the balancing act of it all, sometimes their faith feels like just another piece of their lives they have to juggle.

But what if there's a different way they could look at it?

What if their faith *is* the path they walk as they balance the things in their lives? What if the things they're balancing actually **help** move them toward heaven?

In each short episode of **The Tightrope**, listeners are discovering the ways that busy life doesn't have to be a distraction from God—it's their opportunity to encounter him.

They are finding time to listen while waiting in school pick-up lines, doing the dishes, driving to the dry-cleaners, and during breaks at work.

We invite you to listen, too, and when you do, you'll see your faith, your family, your work, and the people around you with fresh eyes. You'll remember who you are (a beloved child of God) and where you're going (to be with him in heaven). And these two powerful truths can transform any mess into an incredible opportunity.

### Not sure what a podcast is or how to listen?

- A podcast is a **free, pre-recorded audio show** you can listen to on demand using your phone, laptop, tablet (or desktop).
- Ascension Press publishes five (soon six) **different podcast shows a week** - there's something for everyone! Browse the different shows and podcasts at [AscensionPress.com](http://AscensionPress.com).
- You can listen on the site, but many people listen in iTunes or download a free 3rd party podcast app for their phones. Two popular free podcast apps are: Apple Podcasts (for Apple) or Stitcher (for Android).

**Summer Hours:** *As of 6/8/18, the parish office summer hours are:*  
**Thurs: 8:30am - 3:30pm,**  
**Fri: 8:30am-12pm**

### Safe Environments Abuse Prevention Training

In the Diocese of Norwich, all volunteers who have regular contact with minors, all employees, all clergy, and all employees, all clergy, and all religious, are required to complete safe environments training.

This training is also available to any parishioner or parent of a parochial school child, regardless of whether or not they wish to volunteer at their parish or school.

The Diocese of Norwich offers two Praesidium programs. Both cover the same material, just in different formats. You can take the online program, Armatus, or attend a one-time DVD presentation, Called To Protect.

Please contact the Child Advocate at your parish or school office to be enrolled, or for more information.

Our children's safety is the responsibility of all Catholics.
