### WHY DO WE DO THAT?

**Q:** Why do priests wear vestments? Do they have a special meaning?

**A:** Vestments are clothes worn for a specific purpose. Priests will joke that they cover a thousand flaws. But our own manner of dress often corresponds to what we do. We dress up for special occasions, and for special guests. We wear certain clothes for golf, for outdoor activities, and years ago, we even had our “Sunday best” clothes we wore just for Church. Vestments are much the same, and each one has a meaning. The alb is a reminder of the baptismal garment. The stole is a symbol of ordained ministry and authority within the Church. The chasuble reminds us that we are on a pilgrimage of faith, passing through this life towards heaven. Priests wear vestments for two basic reasons. First, they draw attention to the importance and solemnity of the act of worship. The color of the vestments indicates the season of the year or the feast being celebrated. Secondly, vestments draw attention to what the priest does, rather than who he is. In the celebration of the Mass, the focus is on what we do together, on our common unity, and on the mystery and person of Christ.

### LIVE THE LITURGY (Luke 2:22-40)

Today's celebration can be seen as another “epiphany” of sorts, whereby Jesus is recognized as the one who will fulfill the Jewish people's messianic expectations. Jesus is the one who comes to purify and refine humanity and provide us with proper direction and focus. Jesus also presents himself to each one of us. Will we accept him as he is or only as we want or need him to be? The Gospel message is meant to be heard whole and entire. When it is, it is always a very challenging, table-turning experience that can make even the holiest among us feel a bit uncomfortable. Being purified and refined never comes easy and requires that we give ourselves fully to God and His design. Are we willing to do so?

### Recognize God in Ordinary Moments

The value of stewardship living is difficult to see unless we are experiencing that way of life for ourselves. You can read 100 stewardship reflections and go to church every Sunday, but unless you are actively growing in faith and trying to live a life of generous stewardship, you cannot see the power of such a lifestyle. Like most things, we need direct, purposeful experiences to really understand.

I worked in a stewardship parish for over 20 years, but it was only after I started treating all I have as God's, and began to actively offer all I am to Him for His glory, that I really got the message. That doesn't mean I am a perfect steward. Far from it! However, the stress and anxiety that comes with life has greatly diminished because all is in God's hands. I choose to act more generously than before, which provides me with a sense of fulfillment and joy. How I act towards my family, friends, and even people I meet daily has changed. Now I am more mindful of their presence, and I seek to give them a part of me that just might change their day and bring them a little closer to Christ. I am transforming into a disciple who seeks to use all I have been given to transform all that is around me.

It would be a shame to be blind to the important things for an entire life. Today, consider taking a path of life-changing stewardship. Give it all to God. In the midst of all you have been given, you just might find God in a profound way. You may even find the real person God created you to be.

- Tracy Earl Welliver, MTS

## BOOK STUDY THE MASS

Walk through the Liturgy with **Bishop Robert Barron** and you'll be transformed through insights on this most privileged and intimate encounter with our Lord Jesus Christ.

See how the Mass brings us out of the fallen world and into the heavenly realm, how it resonates with a call from God and a response from his people, the Church, and, most importantly, how we are intimately joined with the Body, Blood, Soul, and Divinity of Jesus through the Holy Eucharist. The Mass will help you understand how to fully, consciously, and actively participate in the source and summit of the Christian life.

## It starts with a good word. (World Day For Consecrated Life)

Did you know that a surprising number of sisters, brothers, and priests say that they first considered a vocation to religious life simply because someone—a teacher, friend, or relative—suggested it to them? Did someone point out to you early in life that you'd be good at sales or carpentry or design—or whatever it is you now do for a living? Do the same for a young person you know, if you see in them qualities that would suit them to religious life. You might be planting the seed of a future vocation.
