### WHY DO WE DO THAT?

**Q:** Luke's Gospel is the only one to mention the Presentation of the Lord in the Temple. What is Luke trying to communicate here and what connection does it have with Mary?

**A:** February 2 is exactly forty days after December 25, the nativity of Jesus. Jewish law (Ex 13:2, 12) dictated that Jesus, as the firstborn, be consecrated to God. This was done by the parents as they presented their Son in the Temple.

Jewish law further specified (Lv 12:2-8) that a mother was ritually impure after giving birth, and that she had to wait a set period of time (forty days for a boy) before she was to offer a sacrifice to the Lord for purification.

The convergence of these two Jewish regulations occasions Luke's account of both the Presentation of the Lord and the Purification of Mary. These days the liturgical emphasis is more on the Presentation of Jesus. Luke highlights the role of Simeon and Anna, two righteous Jews who recognized Jesus as the long-awaited Messiah and praised God for being able to see and experience such a marvel in their lifetimes.

Simeon's prayer concerning the special role of Jesus states that Jesus is "a light for revelation to the Gentiles." This phrase eventually originated the custom of blessing candles on this day which were to be used in the ceremonies, rituals, and processions throughout the church year. Thus February 2 is also known as Candlemas Day. This day is indeed a rich feast to be savored.

GOSPEL MEDITATION

(Mark 1:14 - 20)

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

"The people were astonished at his teaching, for he taught them as one having authority and not as the scribes." Those gathered in the synagogue where Jesus taught had never heard anything like this before. They were used to the preaching of the well-educated scribes, but Jesus possessed something that those men lacked: authority. Instead of merely interpreting the laws of the prophets, Jesus presented a new vision, indeed, he shared the good news of the Gospel with his listeners.

We do not have the opportunity to stand in the presence of Jesus in the same way that those first-century Jews did, but nonetheless we can also stand in awe of his authority. His teachings are available to us through the sacred Scriptures that the Church has preserved and through the sacred tradition that the Church carries on. And in a special way, Christ's authority continues to inspire and guide us through the ministries of the papacy, episcopacy, and priesthood that Jesus established on our behalf while he was yet on earth.

As Catholics, we have a special share in the astonishing authority of Jesus through the hierarchy of the Church.

Although this structure is often misunderstood or misinterpreted, it is actually an authority rooted in service and modeled after Christ who told his apostles, "The greatest among you must be your servant" (Mt 23:11).

This humble exercise of authority is contrary to the worldly search for power. And whenever we find ourselves in a position of authority, we too should strive to lead and direct others in the true spirit of Christian love and service.

Chances are, if we truly imitate Christ in this way, people will be astonished at what they see.

A Christ the King Church Finance Report for the fiscal year ending June 30, 2017 was inserted into last weekend's bulletin, making this information available to all parishioners. **Catholic Schools Week Reflection**

Do you know why you are going to a Catholic school? Permit me to give you a little bit of background.

Your parents and grandparents are the ones who built the Catholic school educational system in your city, state, and nation. Your parents and grandparents saw the importance of a great education and saw the connection between their faith in God and his Church and education to assist the greater community in becoming more than just an average citizen of society and believer in Christ.

A Catholic school education is now more expensive than it used to be. In previous decades, religious sisters and brothers who worked for next to nothing staffed our Catholic schools. They spent long hours to make sure the teachings of the Church and the education of the next generation was excellent. Now our teachers are mostly laywomen and men. And they deserve a living wage and to provide for their own families.

Let's remember where our Catholic schools were, and where they are going. LPI 2016

**LENTEN MISSION TOPIC: BISHOP ROBERT BARRON'S  
"PRIEST PROPHET KING FORMATION PROGRAM"**

This will be the subject of the Lenten Mission for the parishes of St. Mark and St. John for 2018. "The Church's mission is to introduce the world to Jesus Christ and to invite people to share the many gifts the Lord offers and wants his people to enjoy. We cannot introduce Jesus Christ to others unless we have first been introduced to him ourselves, and this is our purpose with the *Priest Prophet King Formation Program*—to provide an introduction to the Lord so that in coming to know him, we can better introduce him to others." Throughout this experience, you will better understand who Jesus really is and also realize your own priestly prophetic and kingly mission." On **February 3** our parishes will begin the Priest Prophet King study program. To find out more information, please contact Clare Rayder 860 304 4946. We encourage you to consider attending this Lenten program. Bishop Barron is an exciting teacher. This course will be a pleasure as well as a profound spiritual experience.

**Winter Day of Recollection**

on Enders Island at St. Edmund's Retreat  
Mystic, CT

Wednesday, February 21, 2018 9am - 3:30pm

This Day of Recollection will be directed by Sr. Eugenia Brady, SJC and will focus on "The Mystery of Lent: Finding God in the Feasts and Fasts of Lent."

*More information of the full schedule of programs offered by St. Edmund's Retreat, Enders Island, can be found on our website, [endersisland.com](http://endersisland.com) or call 860.536.0565.*

**A Tragic Commemoration**

Last Monday was the Day of Prayer for the Legal Protection of Unborn Children. On January 22, 1973, the Supreme Court, in the Roe vs. Wade decision, made its worst mistake in history. By declaring that children in the womb are not "persons," it opened the door to *tens of millions* of abortions. The website of The Alan Guttmacher Institute (formerly the research arm of *Planned Parenthood*, which continues to be the single largest source of abortions in America), states, "From 1973 through **2011**, nearly 53 million legal abortions occurred." It also points out that "Twenty-one percent of all pregnancies (excluding miscarriages) end in abortion," and that abortions at 21 weeks of pregnancy *or later* number somewhere around 12,720 per year in America. In 2011, there were 1.06 million abortions in our country. Indeed, as we mark another Roe vs. Wade commemoration, it is time for all of us to get involved in the efforts to end abortion.
